

Thought Force on Future Ohio Area Meetings

Members: Robin R, Theresa M, Hernan V, Heidi W, Jeanne W, Dashawn W, and Ann F

The Thought Force has met twice since Spring Assembly. We reviewed the Assembly survey results, and have started on the KBDM process. Initial feedback on our first Hybrid AWSC and Assembly meeting have been favorable.

The Thought Force would like to put forth the following motion to continue Hybrid meetings for the next two years, on a trial basis, as we continue to determine the wants and needs of our members.

Respectfully submitted,
Ann F
