

Spring AWSC

March 29, 2025

Plans for the 2025 OAC August 2-4 at the Holiday Inn, Cleveland are coming along. I am working with Sydney P, chair, and the rest of the committee. It promises to be a lot of fun and recovery. Please consider registering soon as the rooms will fill up quickly. Sydney will have a full report.

The 2 Day Fall Assembly is being planned for the third weekend in October 2025 by the Canton/Akron districts. Colleen F., DR 48, will give a full report on that.

The 2026 OAC is scheduled to be hosted by Miami Valley Districts. It's not too early to choose a date and location. If you are a DR or GR in the Dayton area please contact me about the convention.

Respectfully submitted,
